Amendments to the Specification

IN THE WRITTEN DESCRIPTION

Please replace the paragraph beginning at page 7, line 6, with the following rewritten paragraph:

Turning now to the present application drawings, Figures 1 and onward disclose an inventive handpiece 26G. In some instances, parts of the handpiece 26G will carry the same reference numerals as generally ~~ycorresponding~~corresponding parts of the handpiece 26D described at pages 28-48 of the above mentioned incorporated-by-reference application No. 08/769 428.
